What is the Value in Becoming an ISA Certified Urban Forest Professional Application Guide?

ISA Certification is a voluntary program that tests and certifies your achievement of a professional level of knowledge and skill in the field of arboriculture. ISA Certification is a voluntary program that tests and certifies a professional's achievement of a standard level of knowledge and skill in the field of arboriculture. When a professional becomes an ISA Certified Urban Forest Professional, they should be recognized by their peers and the public as a tree care professional who has attained a fundamental level of knowledge in core areas of the arboriculture practice within an urban forest context and management of trees as a community providing societal benefits. Areas of knowledge measured include communication skills, public relations, policy and planning, administration, risk

management, and arboricultural practices.

This credential is a sign to the public, employers, and peers that the professional has achieved a fundamental professional level of knowledge and skills needed for the management and care of trees in an urban forest context. Additionally, as a voluntary program, earning this credential shows a professional's commitment to a professional code of ethics, internationally-accepted best practices, and continuing education. Presenting your ISA credential to potential employers makes you more competitive in the job market and, for employers, encouraging ISA Certification is a crucial tool in the hiring, training, and retention processes.

Which Areas of Knowledge Will the ISA Certified Urban Forest Professional Exam Cover?

The certification examination is developed by an international panel of industry practitioners and subject matter experts and validated by practitioners through a systematic job task analysis process performed every five years. Questions are continually analyzed by the ISA Certification Test Committee using the latest test statistics, and new questions are always being developed and tested for satisfactory performance.

The written exam content for the ISA Certified Urban Forest Professional is divided into four areas of knowledge, and the percentage next to each area below reflects the percentage of questions associated with that area. These are subject to change [when a new job task analysis is completed for the exam.](#)

1. Urban Forest Management—32%
2. Arboricultural Practices—26%
3. Communication and Public Education—21%
4. Administration, Policy, and Planning—21%

What Are the Objectives of the ISA Certification Program?

ISA's objectives for offering professional credentials are to:

- To continually improve the level of technical competency of personnel in the tree care profession. Recertification through continuing education provides incentives for individuals to improve their level of technical competency. It creates a greater opportunity for members to write, publish and speak on technical issues. It creates a translatable practical application stemming from research projects.
- To provide a measurable assessment of the knowledge and competence required to render high quality, professional service.

- To help the employer both in training personnel, selecting new employees and assisting with professional development.
- To give individuals incentives to improve their level of knowledge and demonstrate professional accomplishments to clients, supervisors and the public. The program establishes a uniform standard by which professionals can measure themselves.
- To provide a means for individual recognition among peers.
- To encourage those in the profession to be aware of the profession's performance standards.

Who Is Eligible to Apply for the ISA Certified Arborist Municipal Specialist® Exam?

The ISA Credentialing Council requires a candidate to either: (i) be an ISA Certified Arborist®; OR (ii) have a minimum of three years of documented and verifiable work experience in a position managing the establishment and maintenance of urban trees; or (iii) have a combination of relevant education and practical experience. Examples of acceptable roles and experience sources include, but are not limited to, the following:

- city/municipal arborist
- city/municipal forester
- tree warden
- urban forester
- urban forestry specialist
- park superintendent
- municipal/urban forestry consultant

Documentation of work experience is required with submittal of application. Letter(s) of reference from your current or previous employer(s) is acceptable. If you are self-employed or own your own company, you will be required to submit

three letters of reference with your application. References may be in the form of copies of invoices, contracts, and/or business licenses. The documentation provided must include details of practical experience relevant to the content assessed in the examination and outline the dates of work required for eligibility. Please contact ISA for other possible forms of verification.

By submitting your application, you authorize ISA to contact the practical experience reference(s) named on your application to substantiate your eligibility.

What Is the Process to Apply for the Exam?

Exam Dates and Locations

ISA Certified Urban Forest Professional exams are sponsored by an ISA chapter or associate organization or offered through a Pearson VUE testing center. For information on dates and locations of certification exams in your area sponsored by ISA chapters or associate organizations, contact ISA or visit the [ISA Events Calendar](#). To find out if a Pearson VUE testing center visit <https://www.pearsonvue.com/isa/locate/>.

Fees

Candidates who are members of ISA and an ISA chapter or associate organization receive an exam discount. If the exam is sponsored by an ISA chapter or associate organization and your ISA Certified Arborist® credential expires within:

- 25 to 36 months, the fee is \$120 USD for members and \$260 USD for nonmembers;
- 13 to 24 months, the fee is \$95 USD for members and \$235 USD for nonmembers;
- 0 to 12 months, the fee is \$75 USD for members and \$215 USD for nonmembers.

In addition to the exam fee, there is a computer-based testing administrative fee of \$125 USD for those who elect the computer-based option. The administrative fee applies each time a computer-based exam is scheduled.

To be eligible for the discounted rate, a candidate must be a current member of ISA and a current member of an ISA chapter or associate organization. In the event that a local chapter or associate organization does not exist where you reside, you may receive member pricing by being a current member of ISA only. ISA certification fees are separate and distinct from ISA membership dues and from ISA chapter or associate organization dues.

Certification Agreement and Release Authorization

All applicants are required to review and accept the [Certification Agreement and Release Authorization](#). Your signature confirming review and acceptance of these terms is required for certification.

Application Submission

Becoming a candidate for an ISA certification is a two-step process through your online [MyISA Dashboard](#).

1. First, apply online or submit a completed application.
2. When you receive notice that your application is approved,

you may then enroll through your website account to take an exam.

If you do not have an ISA website account, you may create one at the [MyISA Sign-In page](#).

A completed application must be submitted by going to [MyISA Apply for an ISA Certification](#) and then by selecting [Create Application](#). Once your completed application has been reviewed, you will be notified by ISA of your application approval or denial by email. You may [Review Application Status](#) at any time to determine your status or [Review Old Applications](#). If denied, you will not be able to enroll into an exam until you provide additional documentation demonstrating that you meet the eligibility criteria.

Only once your application has been approved, you are eligible to enroll for a computer-based or paper-based exam. Paper-based exams are offered through ISA chapter or associate organization sponsored exam events, the deadline for EXAM ENROLLMENT in these events is twelve (12) US business days prior to the exam event scheduled date. You may enroll into the exam by selecting either the enrollment link within the approval email or go to the [Enroll to Take Exam](#) web page. Enrollment will include the processing of applicable exam fees. Enrollment and payment must be received on or before the deadline date. **ISA does not provide refunds for exam enrollments. There are no exceptions to this policy.**

If you have questions or difficulties with the application or enrollment process, [contact ISA](#). Due to the complexity of the application process, onsite registration is not available for ISA exams.

ISA has the right to contact any person or organization as part of the review of your application. By applying, you authorize the release of any information requested by ISA for the purpose of reviewing your application. ISA has the right to notify appropriate organizations if your application contains false information.

Enrollment Confirmation

You will be notified when your enrollment has been processed. After you have been successfully enrolled, you will receive a confirmation packet with a letter containing the location, date, time of the exam, and the name of the appropriate contact person. For computer-based exams held through Pearson VUE, you will receive instructions via email on how to schedule a date and time with the computer-based testing vendor. The vendor will then send you a confirmation including the location, date, and time of the exam. You are provided a 90-day authorization period to schedule and take the exam.

Rescheduling Exam or Additional 90-Day Authorization Period Requests

If circumstances change after you have applied for the examination, you may be able to reschedule your exam or request an additional 90-day, computer-based authorization period. If your request is approved by ISA, a fee of \$50 USD will apply to make the change. If you are requesting to reschedule a computer-based exam within your current 90-day authorization

period, you will not be subject to the fee.

Requests to reschedule exams sponsored by ISA chapters or associate organizations must be received prior to the 12-business-day deadline. Additional 90-day, computer-based authorization requests must be received within the candidate's current 90-day authorization period. If the request is not received by ISA before the ISA chapter's or associate organization's exam deadline date, or is beyond the 90-day authorization period, or the candidate fails to schedule an exam within the 90-day authorization period, the candidate will be considered a no-show and all exam fees will be forfeited. If the scheduled date that was missed was your free retake, your free retake will be forfeited.

If you need to reschedule an exam date within your current 90-day authorization period with the computer-based testing vendor, you may do so by contacting Pearson VUE via phone or through the [Pearson VUE website](#). If rescheduling during the weekend, you must do so directly through the website. Requests must be received no later than one business day prior to the scheduled exam date. If contact is less than one business day, you will be considered a no-show and all exam fees will be forfeited. Registrations are not transferrable to another person.

Failure to Attend Examination or Schedule within a 90-Day Authorization Period

No refunds or discounts will be issued if you do not attend or complete the examination. There are no exceptions. If you do not reschedule your appointment or request an additional 90-day authorization period, and you do not show up to take the exam at your scheduled time and location, you will be considered a no-show and the exam surrendered, as well as any exam fees and/or computer-based administrative fees associated

with the exam you missed. If this happens, you will have to re-enroll along with paying the required retake fees and, if elected, the computer-based administrative fee of \$125 USD.

You will have only one year from the first scheduled exam date to retake the exam at the retake fee of \$75 USD or utilize your free retake. Once you have exceeded the one year, you will be required to pay the full exam fee, along with the \$125 USD computer-based administrative fee if you elected the computer-based option.

ISA Reserves the Right to Cancel a Paper-Based Exam

ISA reserves the right to cancel any paper-based examination event that does not meet the minimum enrollment requirement or for other reasons. If your paper-based exam is cancelled by ISA, you will be notified by email and your enrollment will be moved to pending status. You may elect to have your pending exam enrollment status moved to any other paper-based examination event available for no charge or you may request to enroll in a computer-based exam by paying the computer-based administrative fee. While your registration is in a pending status you will not be able to enroll for another examination. Please contact our team at isa@isa-arbor.com to request a change for an [available examination location and date](#).

What Is the Format of the ISA Certified Urban Forest Professional Exam?

The examination is made up of 115 multiple-choice questions. Each question has four possible answers listed, only one of which is correct. You will have two hours (120 minutes) to complete the written exam. You must pass the exam to obtain the certification.

Pretesting of Exam Questions

Within the written exam, there will be 15 new questions that have not been used on previous exams. Responses to these questions are not used in determining individual exam scores. These 15 questions are not identified and are scattered throughout the exam so that candidates will answer them with the same care as the questions that make up the scored portion of the exam. This methodology assures candidates that their scores are the result of sound measurement practices and that scored questions reflect current practice.

What Are the Onsite Rules and Conduct Expectations During the Exam?

Admission

- Arrive at the testing site 30 minutes before the start time of the exam and have your identity confirmed by providing two forms of valid identification—a valid photo identification card and an identification card displaying your signature. (See your exam confirmation packet for exact time, date, and location of the course.)
- The exam host will check your photo ID. If you do not have a photo ID with you at the check-in time of the exam, you will not be allowed to sit for the exam and will be considered a no-show.

- There will be audio and video taping at the testing centers. If you are not prepared to be taped, you will not be allowed to test at the facility.

- By submitting an application for certification, each participant acknowledges that he/she understands and agrees to the terms of this policy.

Site Rules

- Dress appropriately. While every attempt is made to provide a comfortable classroom atmosphere, indoor temperatures and outdoor weather conditions may vary.
- Visitors are not permitted in the exam area.
- Books, papers, and other reference material will not be allowed in the testing area.
- No cell phones or other mobile devices will be allowed in the testing area.
- No food or beverages may be taken into the exam.
- No smoking will be allowed in the testing area.
- You will be permitted to take restroom breaks on an individual basis. Time spent on breaks will be considered part of the time permitted for completing the exam.
- Writing on the test booklet is not allowed during the exam.
- If you are caught looking at another individual's exam or talking during the exam, your score may be invalidated or exam materials confiscated.
- Applicants who are impaired by the use of alcoholic beverages or illegal drugs, or use them at the examination site, will immediately be disqualified from taking the exam.
- It is of utmost importance that you carefully follow all directions and regulations. Listen carefully to all instructions given by the exam administrator and follow the directions completely.

Inappropriate Application and Examination Conduct

ISA intends that participation in its certification programs will be a professionally relevant, informative, and rewarding experience for all candidates. All participants in ISA certification exams are expected to conduct themselves in an appropriate and professional manner and to refrain from any objectionable, improper, or unprofessional conduct. To ensure fairness in an examination environment, the following policy and rules apply:

- When an ISA or ISA-designated representative finds that a candidate has engaged in inappropriate conduct or behavior, ISA reserves the right to respond with actions including, but not limited to:
 - Rejecting an application for certification
 - Preventing or precluding a person from participating in an examination, including removing a person from the testing site
 - Invalidating or nullifying examination results
 - Issuing and enforcing any other lesser response or action determined to be appropriate or necessary
- Inappropriate conduct or behavior includes, but is not limited to, misrepresentation; failure to disclose requested information; cheating; unauthorized possession, use, or distribution of copyrighted or legally-protected material; verbal or physical disturbances of the examination; failure to pay fees in a timely manner; and any other objectionable, improper, or unprofessional actions by a person participating in the ISA certification process.

What is the Process for Attaining Certification?

Completion Requirements

To obtain ISA certification, you must achieve the required passing score for the examination. The current passing score is 72 percent. Please note that when a job task analysis of the exam is performed, the overall passing score is subject to change.

When you receive your exam results, please remember that the domains are weighted, and the average of the domains will not be equal to the overall score. If you do not achieve an overall passing score, you must retake the exam until an overall passing score is achieved.

Once certified, you will receive the designation of ISA Certified Arborist Municipal Specialist[®]. Your certification is personal to you and may not be transferred or assigned to any other individual, organization, or entity. When publicizing your credential, you must comply with the requirements of the [ISA Branding and Style Guide](#).

Exam Scoring

The computer-based exams are graded by Pearson VUE, the testing vendor. Written exams sponsored by ISA chapters or associate organizations are graded at ISA Headquarters. ISA will notify you of your results in detail. You may access a brief overview of your exam results by logging into [MyISA](#) on the [ISA website](#) and selecting [My CEUs](#).

Examination Results and Notification of Certification

Computer-based exams provide result notification immediately upon completion of the exam. Your formal results will be sent approximately six weeks after your exam date. You will be notified of your pass/fail result; percentage scores will be provided for each domain for your information. Those who pass will receive a congratulatory letter, score sheet, certificate, identification card, hard-hat decal, and patch. Your results are confidential. Results cannot be obtained over the phone or by fax.

If you have questions concerning your exam results, direct them in writing to the ISA Credentialing Department at isa@isa-arbor.com. Because of the need to maintain test security, exam questions and answers cannot be made available for review, and the ISA Credentialing Department does not provide a list of questions that were answered correctly or incorrectly. The only information available regarding your performance on the exam is provided on your score report.

Request for Regrading Exam

If you believe that an error was made in the grading of your exam, you may request to have your exam regraded. A fee of \$35 USD applies for each hand-graded score report. Requests

for regrading may take up to six weeks for completion. If you request to have your exam regraded, you may not schedule another exam until after you receive the regrading results. If you wish to have your exam regraded after receiving your initial score report, please contact isa@isa-arbor.com.

Retaking the Examination

If you do not pass the exam, you will receive a failure notification and details for retaking the exam. You may re-enroll by logging into [MyISA](#) on the ISA website and returning to the [Enroll to Take Exam](#) web page. You are allowed one free retake and then will be charged a \$75 USD fee per retake up to one year from the original date that you took the exam. If you do not attain a passing score within one year of the original exam date, you will be required to pay the full fee amount. Each time a computer-based exam is selected, the \$125 USD administrative fee applies.

Additional Information About ISA Certification

What Does ISA Certification Represent and Require?

By passing the exam, holders of ISA certifications have demonstrated a broad knowledge base in the area in which they are certified. No other conclusions may be drawn concerning certification holders. ISA certifications do not represent licensure, registration, or other authorization to practice or to conduct business activities for a fee or otherwise.

The ISA Certified Arborist Municipal Specialist® credential is subject to ongoing requirements, such as participation in continuing education activities and abiding by the [Certification Agreement and Release Authorization](#).

Expiration and Recertification

ISA Certified Arborist Municipal Specialist® certification is valid for three years. To retain certification after each three-year period, an ISA Certified Arborist Municipal Specialist® must be a current ISA Certified Arborist® and recertify. Notify ISA promptly if your contact information changes. We are not responsible for undeliverable recertification notices.

The ISA Certification Program offers two methods of recertification. The first method is to retake and re-pass the certification exam. The second option is to accumulate at least 42 continuing education units (CEUs) over the three-year certification period that are related to the six tested domains on the exam and pay the recertification fee. Thirty of the CEUs are for the ISA Certified Arborist® credential, and a minimum of 12

CEUs are for the ISA Certified Arborist Municipal Specialist® credential. The 12 CEUs must be related to the six domains.

The CEU requirement varies for your first certification period as an ISA Certified Arborist Municipal Specialist®. During that time, if your ISA Certified Arborist® credential expires within:

- 25 to 36 months, you are required to obtain 30 CEUs for the ISA Certified Arborist® credential and a minimum of 12 CEUs for the ISA Certified Arborist Municipal Specialist® credential;
- 13 to 24 months, you are required to obtain 30 CEUs for the ISA Certified Arborist® credential and a minimum of 6 CEUs for the ISA Certified Arborist Municipal Specialist® credential;
- 0 to 12 months, you are required to obtain 30 CEUs for the ISA Certified Arborist® credential and no CEUs for the ISA Certified Arborist Municipal Specialist® credential.

Candidates who are members of both ISA and their local chapter or associate organization receive a discount on their recertification fees. The non-member recertification fee is \$205 USD. For members, the recertification fee is \$65 USD. Your signed Certification Agreement and Release Authorization must be on file in the ISA office prior to your recertification fee being accepted. Additionally, a condition of recertification is to report any unethical conduct as it relates to the [ISA Certified Arborist® Code of Ethics](#).

You have the option of tracking the CEUs you have earned online via the ISA website. To obtain a username and password to access to your CEU report, please email ISA at isa@isa-arbor.com.

CEUs and proper payment must be received in the ISA office in a timely manner. Allow four to six weeks for processing and posting to your account.

Please visit the ISA website for detailed information on [maintaining your credential](#). You may contact ISA at isa@isa-arbor.com if you need further clarification.

Denial, Revocation, and Decertification

Your certification may be denied or revoked for any of the following reasons:

- Falsification of application
- Violation of testing procedures
- Misrepresentation of your identity or other information

In the event that your ISA certification is denied or revoked or you otherwise become decertified, you must immediately stop using and/or displaying the ISA certification mark, credential, and any other designation indicating an affiliation with the ISA Certification Program. You must comply with any additional directives of the ISA Certification Program.

Impartiality and Conflict of Interest

ISA commits itself to impartiality in its certification activities and understands how critical impartiality is to carrying out its certification activities. ISA manages conflict of interest and ensures the objectivity of all certification activities. All persons involved in certification activities, including ISA Headquarters staff and member volunteers, accomplish this through compliance with ISA's structure, policies, and procedures related to certification activities.

Nondiscrimination

The ISA Certification Program does not discriminate in determining eligibility on the basis of race, color, religion, sex, national origin, age, disability, or any other characteristic protected by law.

Special Accommodations

It is the intent of ISA to provide accessibility to ISA exams to any qualified participant with a documented disability or condition upon reasonable notice and without requiring ISA to take action which would result in a fundamental alteration in the nature of the exam or an undue financial burden to ISA.

If you have a special need and require an accommodation for an exam, please complete the [Special Accommodations Request Form](#) and submit it with each enrollment request. Your request will be reviewed, and you will be notified of a determination. Approved accommodations are provided through our computer-based vendor at no additional charge to you.

Appeals and Complaints

Appeals and complaints are accepted and resolved in accordance with the [ISA Credentialing Appeals and Complaints policy](#).

Privacy

By applying for an ISA certification, you authorize ISA to make your contact information available to your local chapter or associate organization and our professional affiliates so they can share information with you about educational seminars and other events. ISA shares your contact information, pass/fail exam result, expiration date, and other relevant details with your ISA chapter or associate organization so that they may monitor your credential status and administer credential-related services. Your name, city location, and credential will be available to members of the public on the ISA and TreesAreGood™ websites.

Some credential holders do not wish their names to be distributed to the public or to other interested parties (vendors, potential employers, etc.). If you do not wish to have your name included on the ISA and TreesAreGood™ websites or on distribution lists, contact the ISA Credentialing Department at isa@isa-arbor.com. ISA maintains the right and responsibility to verify a credential holder's certification status to the public or to other interested parties.

You will be notified of whether or not you passed the certification examination, but your score will not be disclosed to any third party except as noted above. Your status as a certification holder, past or present, and dates of certification may be disclosed to third parties.
